

Together Supporting 4-H

For many years, community-minded business people have been recognizing the months of hard work put in by our county **4-H** youth by purchasing their livestock at the...

Buffalo County 4-H Livestock Auction

Tuesday, August 4, 2009 - 8:30 A.M.

Ag Pavilion/Buffalo County Fairgrounds

Your presence at the sale is desired, but if you are unable to attend, a committee of knowledgeable buyers can place your bid for you. The bid would be based on your level of support.

Most businesses and individuals that buy **4-H** livestock don't keep the animal, but resell the animal to packinghouses present at the sale. In this case, you pay only the difference of your bid and the packinghouse bid (= net premium), yet you receive the recognition.

If you wish not to resell the animal and have it harvested and processed, just let us know the locker of your choice. We do provide the transportation of the animal to lockers at no charge. **Buyers need to call their locker to inform them that you plan to buy an animal at the 4-H auction on Aug 4.** Broilers and turkeys will be processed before the auction, and will be sold on silent auction the day of the sale.

For any questions regarding the Buffalo County **4-H** Auction please contact Lydia Loewenstein with the Kearney Chamber at 308-237-3168

Attention Buyers:

Watch the mail for a postcard for your **FREE breakfast sandwich & coffee** on auction day.

4-H Livestock Auction

Tuesday, August 4, 2009 - 8:30 A.M.
