

Kearney Area Chamber of Commerce
Buffalo Bucks Program

Buffalo Bucks is a program sponsored and backed by the Kearney Area Chamber of Commerce. It encourages residents to shop our retail and business community. Buffalo Bucks are safe and easy to use. The Chamber "sells" Buffalo Bucks in \$10.00 increments. They are generally given as gifts, as a bonus, or work related reward. They can only be spent at a business located in Buffalo County, but neither the purchaser or receiving business has to be a Kearney Area Chamber of Commerce Member. The Buffalo Buck can be spent exactly like cash, but it should be spent at a business for a product or service and can not be deposited in a personal checking account.

As a Buffalo County business it is very safe and simple to accept Buffalo Bucks.

- They can be processed into your system as a check and deposited to your local bank with the check portion of your deposit.
- You can give change for Buffalo Bucks
- Have the customer endorse the back of the Buffalo Buck as it requests.
- Buffalo Bucks are NOT a coupon, they are treated exactly as cash.
- Any Buffalo County bank will accept Buffalo Bucks and process them within your deposit.

Local residents and businesses like to give Buffalo Bucks. They contribute to the retail health of our county. Accepting them can increase your sales and help you build customer loyalty. I would encourage you to contact me with any questions and to educate your staff on how to accept Buffalo Bucks. They are good for your business and our community.
