

High School Career Exploration Day ~ 2023

Sponsored by the **Nebraska National Guard** and
Kearney Area Chamber of Commerce Business and Education Committee

Dear Business and College Representatives:

You are invited to help students discover the world of work! The Nebraska National Guard and the Kearney Area Chamber of Commerce encourage you to participate in the **27th Annual Career Exploration Day**. The goal of this event is to introduce students to a variety of careers *and* to the educational opportunities that will allow them to reach their career goals. With your help, students will be able to explore a wide range of careers in fields such as construction, manufacturing, health sciences, human services, education, transportation, legal and law enforcement services, sales and marketing, entrepreneurship, and more!

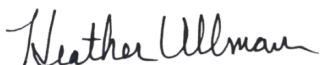

In the past, we've found that students are motivated by participating in hands-on / interactive activities, such as exploring vehicles, using tools, operating computers, interviewing workers, and other simulation activities. While at Career Exploration Day, students will visit with employers to learn about and 'experience' various careers and will also have an opportunity to talk with representatives from universities, state colleges, community colleges, etc., to learn about programs that will help them prepare for the careers they explore.

Reserve your space now! Get to know your future students and workforce. Help them to start thinking about opportunities in your field and preparing for their future careers! High schools all over Nebraska have been invited to attend, and all proceeds from the event will support the Kearney Area Chamber of Commerce **Student Leader Scholarship Fund**.

◆ When:	Wednesday, October 18, 2023 9:00 a.m.-12:00 p.m.	◆ Where:	National Guard Armory 5710 Airport Road Kearney, NE 68847
